Our Mission

Our mission is to produce students with active and creative minds and instill in them the courage to achieve their goals. Making them tolerant, humane and capable of thinking in a creative and critical manner; aiming at producing denizens enriched with devotion, consistency, determination, and an optimistic drive in tackling the challenges of contemporary world.

Our Vision

To advance knowledge and learning through quality research and education for the nation and for humanity.

Our Values

Excellence: A profound and aspirational value: the quality of striving to be, and being, outstanding.

Integrity: A moral value: the quality of being honest, ethical and truthful.

Respect: An essential and learned value: regard felt or shown towards different people, ideas and actions.

Academic freedom: A unique value of the academy: a scholar's freedom to express ideas through respectful discourse and the pursuit of open discussion, without risk of censure.

Accountability: A personal and public value: being responsible for our conduct and actions and delivering upon our respective and reciprocal commitments.

Chairman's Vision

It gives me immense pleasure to welcome you all to the University College of Montgomery Sahiwal, which has emerged as a leading place of advanced studies and research in a relatively short span of time. Despite being a relatively new University, UCM has made remarkable impact on the canvas of higher education in Sahiwal. With its efficient staff and qualified faculty, it offers modern teaching and research facilities to students enrolled in various disciplines at all levels. We aspire to provide learning and teaching experience that harnesses the students to enhance their capabilities and transform their life for the better. Student satisfaction is a huge challenge and of great significance, which assures learner's level of success. The students are encouraged to develop skills which will help them in gaining meaningful employment, further their education or contribute more effectively to the society. Our ability to add to your academic and social skills will allow you to lead in your professional career. We aim to create high-quality graduates who are practically skilled to enter the world of work.

Good Luck

Ch. Waheed-ul-Haq

Group of Colleges

Message from Director Finance

I cordially, welcome you to the University College of Montgomery Sahiwal. Since its inception, UCM has immensely progressed and is persistently ongoing as you can witness the ever-increasing intake of students. We are committed to excellence in academics, research and knowledge exchange. The staff members of UCM demonstrate collegiality and teamwork which act as catalyst in student's lifelong learning and lucrative progress. Our ability to add to your academic and social skills will allow you to lead in your professional career. We aim to create high-quality graduates who are practically skilled to enter the world of work. So, I assure you that educational experience at UCM will be rewarding both academically and culturally.

Mrs. Shazia Waheed

Director Finance

Message From Executive Principal

The Major issue concerning the country today is ignorance and literacy. University college of Montgomery stands for academic excellence and is committed to dispel the shadows of ignorance. We believe in the intellectual faculties of young students of our country who, when given the opportunity, can compete at international level. UCM Sahiwal inculcate in students the desire to not only attain knowledge but also to achieve higher levels of understanding. The purpose of our institution is to groom students into professionals and leaders in every fields. We encourage our students in all extra and co-curricular activities to helps of sharpen their communication, analytical and cognitive skills.

Prof. Muhammad Ali
Executive Principal

Intermediate Programs

UNIVERSITY COLLEGE OF MONTGOMERY

F.Sc (Pre-Medical)

Duration: 2 Years

Certificate Awarded By: BISE Sahiwal

The Faculty of Science (Pre-Medical) Program at UCM provides a foundation for students hoping to pursue a career in or related to medical. Our aim is to prepare you to excel in BISE Sahiwal exams in science centric subjects with a focus on Biology over the two years of study.

Eligibility Criteria

1st Division in Secondary School Examination.

SUBJECTS	Marks (1st Year)	Marks (2nd Year)
English	100	100
Urdu	100	100
Islamic Education (1st Year)	50	-
Pakistan Studies (2nd Year)		50
Physics	100	100
Chemistry	100	100
Biology	100	100
Total Marks	550/Year	550/Year

F.Sc (Pre-Engineering)

Duration: 2 Years

Certificate Awarded By: BISE Sahiwal

The Faculty of Science (Pre-Engineering) Program at UCM is a comprehensive course work involving both practical and theoretical aspects of engineering. The program grooms students to opt engineering as a professional course of study. The college helps students to secure top positions in the BISE Sahiwal Exams.

Eligibility Criteria

1st Division in Secondary School Examination.

SUBJECTS	Marks (1st Year)	Marks (2nd Year)
English	100	100
Urdu	100	100
Islamic Education (1st Year)	50	-
Pakistan Studies (2nd Year)		50
Physics	100	100
Chemistry	100	100
Mathematics	100	100
Total Marks	550/Year	550/Year

ICS

Duration: 2 Years

Certificate Awarded By: BISE Sahiwal

The Intermediate of computer science (ICS) program at UCM provides a general education in many aspects of computer & software Development. Our aim is to prepare you to excel in BISE Sahiwal exams in computer Science subjects with a focus on either Physics or Economics / Statistics over the two years of study.

Eligibility Criteria

50% Marks In Secondary School Examination (two Options Are Available)

Physics, Mathematics, Computer Science

Economics / Statistics, Mathematics, Computer Science

SUBJECTS	Marks (1st Year)	Marks (2nd Year)
English	100	100
Urdu	100	100
Islamic Education (1st Year)	50	-
Pakistan Studies (2nd Year)	-	50
Economics / Statistics / Physics	100	100
Computer Science	100	100
Mathematics	100	100
Total Marks	550/Year	550/Year

I.Com

Duration: 2 Years

Certificate Awarded By: BISE Sahiwal

The Intermediate of Commerce (I.Com) Program at UCM provides a foundation to students hoping to pursue a career in commerce or related business. Our aim is to prepare you to excel in BISE Sahiwal exams in Commerce related subjects over the two years of study.

Eligibility Criteria

2nd Division in Secondary School Examination.

SUBJECTS	Marks (1st Year)	Marks (2nd Year)
English	100	100
Urdu	100	100
Accounting	100	100
Islamic Education (1st Year)	50	-
Principles of Commerce (1st Year)	75	-
Principles of Economics (1st Year)	75	-
Business Mathematics (1st Year)	50	-
Commercial Geography (2nd Year)	-	75
Computer Studies / Banking (2nd Year)	-	75
Business Statistics (2nd Year)	-	50
Pakistan Studies (2nd Year)	-	50
Total Marks	550/Year	550/Year

UNIVERSITY COLLEGE OF MONTGOMERY

BS Programs

(Semester System)

UNIVERSITY COLLEGE OF MONTGOMERY

BS English

Mission

To inspire an appreciation for the English language and literature, and to cultivate its effective use in creative expression and day-to-day life. The Department strives to enhance student success by fostering an environment conducive to intellectual and personal growth and aims to preserve and protect academic freedom and intellectual independence. It provides a forum for critical inquiry and debate. Our mission is to instill in the students a spirit of critical inquiry with a capability to look beyond their limited surroundings and analytical vision to place and define themselves in the wider social, cultural, political and ideological environment. Through our extensive curriculum, we aim at the development of an educated and enlightened population capable of informed judgment and responsible citizenship and the availability of persons who have the knowledge, skills and adaptability required by public and private enterprise.

Vision

To cope with the radical changes taking place in the field of knowledge. The Department aims to stimulate humanistic learning and the capacity to respond rationally and imaginatively to literature and life. Through the advancement of knowledge, skills and human creativity, the Department prepares students to be independent, enlightened thinkers aiming to work as professionals and opinioned leaders of tomorrow.

Scope of the Field

The Department of English Literature is one of the leading departments of the UCM. The Department has been committed to the symbiotic relationship of teaching, research and the larger concerns of society. The Department of English seeks to provide to the diverse needs of its students by offering them the opportunity to read widely, understand and enjoy what they read, and to express themselves both orally and in writing with ease, force and clarity. The English Department maintains its strong commitment to traditional areas of study, while also supporting groundbreaking research and teaching in new and interdisciplinary approaches to literary studies. English Department teaches across the whole range of English literature and language studies. Our aim is to provide students with a stimulating environment in which they better develop skills in all areas of English.

Academic Programs: BS English

Eligibility: at least 45% marks in intermediate or equivalent

Duration: (04 Years) 08 Semesters

Degree Requirement: Minimum 124 credits hours

BS Computer Science

BS (Computer Science)

Vision

To ensure that the students take maximum advantage of the modern computer sciences to solve a wide range of complex scientific, technological and social problems.

Mission

To provide sumptuous education and training to our students in the field of computer so that they productively contribute to academia and industry.

Introduction

The Department of Computer Science is one of the most prominent department of UCM. The progress journey of the department continued, and it offered BS (CS) program with the pure zeal. The department provides excellent computing facilities and ensures the enhancement of practical knowledge of students by facilitating them to learning. The Computer Science Department provides a comprehensive range of facilities necessary for computer use and a library of program and packages for solving scientific, engineering, commercial and social problems.

Laboratories

The department is equipped with three state of the art computer labs with the latest Pentium machines. These laboratories which are accessible to all students and teachers of Computer Science Department are linked through the state of the art network environment for retrieving information. The following laboratories have been set up:

-  Database Design Lab
-  Software Development Lab
-  A team of excellent and dedicated developers works untiringly hard to develop, design and update wide range of software that meets the university requirements in addition to the market demands as well.

BS Information Technology

BS (Information Technology)

Vision

To realize the Information Technology Division's success by respectfully acknowledging diverse and changing needs of the individuals in the dynamic fields of teaching, research, industry and outreach.

Mission

To provide responsive and dependable delivery of Information Technology to the graduates in the various disciplines of Information Technology and to train them to apply the knowledge and skills of Information Technology in the Industrial and Business Sector.

Introduction

BS (IT) was started as specialized area as per guidelines of Higher Education Commission (HEC). The department provides excellent computing facilities and ensures the enhancement of practical knowledge of students by facilitating them to learning. The Department of Information Technology provides a comprehensive range of facilities necessary for computer use and a library of programs and packages for solving scientific, engineering, commercial and social problems. The department is equipped with state of the art computer labs with latest machines. BS Mathematics

Vision

Mathematics is the need of a nation's success as it develops computational skills, critical thinking, and problem-solving skills. The theory, discipline, and techniques taught in mathematics courses are especially important in today's society. The faculty of the Department of Mathematics strives to ensure that the student/learner obtains the high quality analytical reasoning skills. At the same time, the faculty contributes to the discipline by fundamental research in pure and applied mathematics.

Mission

To enable the students to contribute to today's society; and to obtain abilities to critically assess numerical and graphical information; learn to formulate strategies for solving problems; and acknowledge the importance of being intellectually curious throughout their adult lives. The Department, through its faculty, will continue to contribute to the body of knowledge of the discipline, whether in traditional research, applied research, or research in the teaching of Mathematics.

Introduction

Mathematics department is running BS and MSc programmes in the subject of Mathematics. The Department is established with an intent to produce outstanding students who will serve in academic as well as in business institutions. The Department has qualified and experienced teachers who are dedicatedly inculcating in the students the urge, spirit and determination necessary to compete with the new scientific challenges in every walk of life.

Goals

The Department will offer courses that:

-  Build and enhance computational skills necessary in today's society and develop the students' ability to critically interpret numerical and graphical data.
-  Encourage and reinforce the critical thinking skills of the students.
-  Develop and enhance the students' problem solving skills.
-  Develop the students' ability to intelligently communicate mathematical results in both written and oral format.
-  Provide an environment which will help all faculty and staff to achieve their professional goals.

BS Botany

Vision

Exploration of natural world of plants and allied creature for unraveling vast untapped resources of nature for the benefit of human race as well as the glorification of knowledge.

Mission

We are committed to ordain human capital with excellence in the changing scientific scenario through innovative and interactive learning and research.

Introduction

BS Botany Department is privileged to have a strong faculty and academic program. At present, this department is offering degree courses for BS (Hons) & MSc. programme. Department of Botany has gained credence from the comity of global academic and research institutions. Department aims to provide quality education in diverse areas of research. We are striving to nurture our industry with trained and skilled manpower and with the development of “early bird” innovative production processes. Our research activities on medicinally important plant-derived constituents, nutritional fortification of edible grain crops, development of industrially important fungal enzymes and natural pigments, edibles free from biotic contaminants, etc. are being valued by national industrial enterprises. A number of nationally and internationally funded research projects are also underway, and the academia is focusing on to broaden need-based research endeavors. Molecular Biology, Plant Physiology, Integrative Biology, Environmental Biology, Economic Botany, Mycology, Microbiology and Biotechnology are some of the focal areas of research at this establishment.

Academic Program: BS Botany

Eligibility: At least 45% Marks in F.Sc (Pre-Medical)

Duration: (04 Years) 08 Semesters

Degree Requirements: Minimum 124 credit hours

BS Botany

Scheme of Studies

Semester-I

Code	Course Title	C/Hr.
ZOL-101	Principles in animal life	4
BOT-101	Diversity of Plants	4
CHEM-101	Physical Chemistry	4
ENG-101	English-I	3
ISL-101	Islamic Studies	2
	Total	17

Semester-II

Code	Course Title	C/Hr.
ZOL-102	Diversity of animal (invertebrates)	4
BOT-102	Plants Systematic, Anatomy & Dev.	4
CHEM-102	Inorganic Chemistry	4
ENG-102	English-II	3
PKS-102	Pak-Studies	2
	Total	17

Semester-III

Code	Course Title	C/Hr.
ZOL-203	Diversity of animal (vertebrates)	4
BOT-203	Cell Biology, Genetics & Evolution	4
CHEM-203	Organic Chemistry	4
ENG-203	English-III	3
Comp-203	Computer Applications	3
	Total	18

Semester-IV

Code	Course Title	C/Hr.
ZOI-204	Principles of animal Psychology	4
Math-201	Mathematics/ any other elective	3
ES-204	Out of major courses	
BOT-204	Plant physiology & Ecology	4
CHEM-204	Chemistry Special Topics	4
Eng-204	English (communication skills)	3
	Total	18

Semester-V

Code	Course Title	C/Hr.
BOT-305	Biostatistics	3
BOT-306	Bacteriology & Virology	3
BOT-307	Physiology & Bryology	3
BOT-308	Mycology & Plants	3
BOT-309	Diversity of Vascular Plants	3
BOT-310	Plants Systematic	3
	Total	18

Semester-VI

Code	Course Title	C/Hr.
BOT-311	Plant Anatomy	3
BOT-312	Genetics-I	3
BOT-313	Plant Biochemistry-I	3
BOT-314	Plant Ecology-I	3
BOT-315	Plant Physiology-I	3
BOT-316	Molecular Biology	3
	Total	18

Semester-VII

Code	Course Title	C/Hr.
BOT-417	Plant Biochemistry-II	3
BOT-418	Plant Ecology-II	3
BOT-419	Plant Physiology	3
BOT-420	Genetics	3
BOT-425	Optional OR Thesis	3
	Total	16

Semester-VIII

Code	Course Title	C/Hr.
BOT-421	Seminar / Presentation	1
BOT-422	Biodiversity / Conservation	3
BOT-423	Environmental Biology	3
BOT-424	Cell Biology	3
BOT-426	Optional OT Thesis	4
	Total	14

BS Zoology

Vision

To align multidisciplinary approaches towards wide areas of biological sciences. The department strives to be a center of excellence in teaching as well as in diverse areas of research to promote knowledge, skills and expertise in students required to serve the society as educators, University/College teachers, research scientists and administrators.

Mission

To meet the dire need of coming decades, the Department of Zoology is committed to impart most recent and updated education to students, to deliver society-oriented and need based research, to promote academia-industry linkage, to hold regular seminars by invited speakers and subject specialists for the scientific grooming of students and faculty and to develop a collaboration both at national and international levels.

Introduction

Department of Zoology was established with the intent to provide the undergraduate and graduate courses affiliated with Govt. College Faisalabad University. The high-profile motivated faculty loaded with initiative and drive is key strength of the Department. The fully equipped laboratories, well-furnished class rooms and update spacious library provide the best possible facilities to the students in their academic pursuits. The Department believes in its uplifting at world recognized level through imparting outstanding teaching and research by awarding a degree in academic programs of BS and MSc Zoology. The department has recruited highly qualified PhD faculty members to broaden the teaching and research horizon to face the modern challenges in the field of Zoology.

Academic Program: BS Zoology

Eligibility: At least 45% marks in F.Sc (Pre-Medical)

Duration: (04 Years) 08 Semesters

Degree Requirements: Minimum 124 credit hours

ZOL-420	Introduction to Biotechnology	4
ZOL-422	Optional OR Thesis	4
	Total	13

BS Chemistry

Vision

To promote the quality research in the various branches of chemistry to ensure a viable and practical solution to all the problems in the respective areas.

Mission

To the advancement of the highest level of theoretical and practical knowledge of chemistry. The department pledges to train Chemists are capable of making a significant contribution in the areas of medicine, dentistry, pharmacy, and related fields.

Introduction

Chemistry is a science of development of human civilization. From European Industrial Revolution in 19th century to the present day, the scenario of Biotechnology and Nanotechnology is all related to chemical sciences. In the arena of scientific development, Chemists are the major stake holders. Be it Peace, War or mission to Mars, Chemists are the main players in these endeavors. The Department of Chemistry is one of the major departments of the University College of Montgomery Sahiwal. Presently more than 400 students are enrolled in the graduation and MSc programs. The Department has well defined areas of Physical Chemistry, Organic Chemistry, Inorganic Chemistry and Analytical Chemistry. The department has a clear thinking that a nation of 180 million people needs world class expertise in chemical sciences which could meet the needs of common people. The schemes of study of the Department of Chemistry have been designed in this backdrop. The major focus of the Department is to train the students in their respective specializations such as Nano science, Polymer Sciences, Biosensors, Synthesis of Natural Products and Drugs and Bioassays. Pakistan is blessed with enormous reservoirs of coal and minerals. Expertise is available in the department to explore these latent/hidden reservoirs.

Objectives

-  To produce applied chemists who can efficiently manage the working of industries and be able to motivate and adopt new technologies to meet the international standards.
-  To produce students who are confident of applying the knowledge of chemistry and skills which they acquire in understanding the problems of the local industry and the world at large. Thereby making useful contributions towards resolving industry linked problems.
-  To produce chemists who can work as quality control managers (from raw material and intermediate product to final product) in every sector of the industry.
-  To provide skill in handling chemicals, managing chemical laboratories and scientific instruments.

Marvelous View of University College of Montgomery

BS Physics

Vision

To ensure its national reputation in the education of Physics and research and to become a national leader in producing highly professional physicists.

Mission

To provide specialized training of scientific process and a firm scientific understanding of nature to foster critical thinking and to provide scientifically literate and liberally educated physicists. The provincial aspects of our mission can be classified as: Preparing undergraduate and for advanced study and employment in education, research institutes and industry. Developing highly qualified physicists who can serve as major contributors to the scientific and technological literacy in theoretical and applied physics. Providing physics knowledge, experimental experience and training in analytical reasoning and critical thinking required as the basis for the students seeking advanced studies in physics.

Introduction

The Department of Physics is imparting quality education and research guidance to its students with the aim of serving the community at large. All the faculty members of the Department are striving arduously for achieving excellence in their profession and are utilizing all their potential to the maximum in order to uplift the academic standards of the University. Currently, the department is offering the undergraduate and Master programme. In order to broaden and deepen the vision of the students according to the needs of the 21st century, the Department is also focusing on activity-based learning. The Department of Physics provides a conducive environment for the academic and professional development of its students.

BSc (Hons) Food Science & Technology

Vision & Mission

To produce high caliber graduates in the field of Food Science & Technology who will be well equipped through the training they receive, to support the rapid changes in food industries and sustain the industrial and economic development of Pakistan. This vision is pursued in par with course values of the University which are integrity, excellence, teamwork, discipline and dedication to work. The Institute selects courses that are aimed at offering the students a good understanding of the basic principles of Food technology according to the growing and dynamic needs of Food industry. According to the international education standards of Degree program in Food technology, the course content of any undergraduate syllabus should cover the following four categories: Food Chemistry and Analysis, Food Safety and Microbiology, Food Processing and Engineering, Applied Food Science. Poor nutritional indicators of Pakistan demanded some initiatives to uplift the nutritional status and initiation of Human Nutrition and Dietetics degree is important mile stone in this context. This degree not only produce skill nutritionist but also enhance the awareness regarding the issue that ultimately will uplift the nutritional status of the country.

Introduction

The Department of Food Science, Technology and Home economics at UCM is one of the best food science departments in the country. The outstanding faculty, state-of-the-art building and laboratory facilities, and friendly and dedicated staff members make the Department a pleasant place to study and conduct research. Our undergraduate Major offers students hands-on science dealing with real-world applications; small, friendly atmosphere world-class internship experiences in collaboration with international institutions. Graduate students receive in-depth training in the core disciplines of food & nutrition, food chemistry, food microbiology, food engineering & processing, food safety, food service management & human nutrition.

BBA Business Administration

Vision

To be a leading business school in the region with visible presence, marked excellence and exclusive traditions aspires to transforming graduates into competent, dedicated and skilled business professionals.

Mission

To provide quality education to business graduates through inculcating in them the conceptual knowledge synergized with practical applications by utilizing the state-of-the-art equipment and infrastructure with experienced, trained and qualified faculty. UCM's Business Department is thriving to transform individuals into skilled professionals trimmed fine enough in catering to exclusive demand of top notch conglomerates and enabling them to contribute their drastic role in the development and prosperity of their families, society and overall country specifically.

Introduction

Since its inception, Montgomery School of Business is exerting painstaking efforts to build marked reputation for producing business graduates fully equipped with professional excellence and excelled moral values. At MSB, the students are inculcated knowledge and skills through exceptionally talented and experienced faculty enriched in generating ideas coupled with experimental learning, exposure to real time problems and hands on leadership/team work experiences. The outgoing graduates are enriched with pivotal urge to lead, eager to explore and design the practical solutions to everyday business problems/ opportunities. The prime focus of all programs at Montgomery Business School is to groom the graduates into responsible personalities powered with devotion, practical and methodological skills and persistent enthusiasm towards goal accomplishments.

BS Sociology

Introduction

Sociology is an illuminating area of study that conceptualizes and explains most important matters of our lives. Sociology with the help of sociological perspectives aims at investigating social issues and their causes at national and international level. The subject matter of sociology includes Social Institution, Social issues, social relationship, gender identity, family conflict, poverty and wealth, prejudice and discrimination. At global level sociology investigates the causes and consequences of high population, war and peace and economic development. The horizon of sociology is very broad both in knowledge and practice. It is a diverse field of study of human behavior and the structure and function of human society. Sociologists are concerned with understanding various social institutions within the social structure such as family, economy, politics, religion, social class, race and culture etc. through sociological lens by applying various theoretical and research paradigms.

Mission

Our mission is to guide the students through teaching and research to provide a systematic understanding of human societies and cultures. This includes an understanding of how societies and cultures shape individuals and how, in turn, informed social action can create meaningful social change. Our students experience a rigorous curriculum involving methodological, theoretical, experiential, and substantive training aimed at enhancing critical thinking, social awareness, and a globally-oriented conception of inequality and justice. As a result, our graduates are prepared for a range of career options, post-graduate educational opportunities, and a life of engaged, democratic citizenship.

BS Islamic Studies

Introduction

Islamic Studies Department emphasizes the study of all aspects of Islamic Education, such as teaching and understanding of Quran, its Tajweed and Qir'at, knowledge of Hadith literature, Classical and Contemporary Literature on Islamic Jurisprudence and Islamic Law, Islamic Arts, Islamic Culture and World Religions. The Department is unique among all Punjab Public Sector universities as it offers four specializations and a wide range of intensive courses and workshops under each specialization that keeps the students abreast with the classical as well as contemporary scholarship on Islam. It provides the students with requisite knowledge to understand Islam in contemporary scenario enables them to face the challenges posed to Muslims in this era of globalization.

Mission

To develop an enriched learning community that promotes academic achievement, leadership, and Islamic values. In our programs and research, our mission is to provide more than just an academic understanding of Islam, rather an "insider's view" of Islam bringing together education and spirituality, the classical and the modern, the academic and the practical.

COMAND College OF PHARMACY Sahiwal

Principal's Message

"It's a great pleasure for me to welcome you at COMAND College of Pharmacy (CCP), an institute that is dedicated to the proper growth, grooming, and development of each student for a better career prospect. This institute is all set to bring out the potential of each student. It will provide you a proper guidance so that your potential should be maximized. It will make you the best health care provider and researcher in future. CCP will make you capable enough to meet the professional challenges. We will build a cohort of highly competent pharmacists to ensure the proper patient care.

In the future, we will develop different teaching modules like problem-based learning, bedside pharmacy practices, and pharmaceutical care planning to improve your skills for the wellbeing of humanity. Moreover, we will enhance communication skills, critical thinking abilities, moral values, and a sense of responsibility in future healthcare leaders. So that they can contribute their best to society and the country. The state-of-the-art infrastructure, modern and well-equipped laborites, dedicated staff, foreign qualified, and foreign faculty will contribute to your career building.

All team members of CCP will be thoroughly engaged to train the best clinical pharmacist in the world. Seminar series, online zoom lectures, and webinars will be organized occasionally. The participation of students in national and international conferences will be ensured. I am confident that graduates of CCP will be professionally sound and confident with good leadership skills.

My best wishes to all students.

Dr. Muhammad Tariq

Pharm-D (5 Years)

Introduction

The COMAND College of Allied health sciences aims to accomplish and materialize the vision for the provision of quality pharmacy education in Pakistan. The education system is not only sensitive to the local needs of Pakistan but endeavors to live up to the international standards so that the pass out students can contribute to the latest developments in the profession through research, practice and education.

The COMAND College of Allied health sciences significantly advanced in providing exemplary education to pharmacy students. To meet the human resource needs and to promote the research culture in the country in the areas of Clinical Pharmacy, Community Pharmacy, Pharmaceutical Technology, Industrial Pharmacy, Pharmaceutical Microbiology and Molecular Biology. Academically, is it one of the institutes having employed highly qualified academicians harboring various skills and expertise. The Institute maintains air - conditioned, multimedia fitted lecture halls and purpose built modern laboratories equipped with the latest instruments.

Mission

The mission of COMAND College of Allied health sciences is to provide excellence in pharmacy education and emerging related disciplines, and, to prepare highly skilled leaders and innovators to excel in pharmacy practice, education, research and public service.

COMAND

Law College Sahiwal

Principal's Message

Knowledge coupled with virtue is the goal of the education. Advocacy by farowing helpless aggrieved is the task of the people dearest to Allah. Let us be an ideal advocate by putting hard work so we may be able to help the suffering humanity. Being associated with judiciary for a long time, I know the need to uplift the standard and level of legal education. This is the prime manifest of command law college sahiwal. Join hands to comprehend law better, inculcate the professional culture of advocacy and instill a sense of loyalty to serve the needy persons in the society.

Rules & Regulations

GENERAL AND DISCIPLINARY RULES All Students must abide by the College Rules and Regulations. Guidelines as may be promulgated by the College Administration from time to time. Breach of these Rules, Policies and Guidelines will render them liable to disciplinary, administrative and legal action including but not limited to imposition of fine, suspension or expulsion (both provisional and permanent) from the College.

1. No student is allowed to paste, exhibit, prepare or distribute any poster, leaflet, notice, pamphlet or handbill in the College premises without prior permission from the Principal.
2. Any student aggrieved by any happening in the College will lodge a complaint with the Principal and not with any outside authority unless the Principal permits him/her to do so.
3. Use of mobile phones and cameras are strictly prohibited in the College premises and during the College Functions. Mobiles and cameras confiscated will only be returned if disciplinary committee permits.
4. Smoking in the College premises is strictly prohibited.

Every student of the College is required to be punctual in the class.

5. Any student remaining absent from classes without proper permission for a continuous period of 06 days, excluding holidays, shall be struck off from the College Roll unless the cause of absence is explained to the satisfaction of the Principal. In that case, the student may be re-admitted within 15 days (after his name is dropped from College roll) on payment of Re-admission Fee and College Dues.
6. Students are forbidden to contact any higher authority directly. Intended communication with any higher authority must be submitted through the Principal who will forward it, if he/she considers it desirable.
7. The College authorities can revise dues without any prior notice. This revision will be applicable to all students enrolled at that time or in future.
8. No student is allowed to leave the class without the permission of his/her teacher or until the class is over.
9. Late-comers in the class may be marked absent.
10. Any student misbehaving in the classroom/College shall at once be reported to the Principal by the teacher. The Principal will take such action as he/she may deem proper. The teacher can recommend a penalty as well.
11. Any political or immoral activity is strictly prohibited in or around the College premises.
12. Fine as per policy will be imposed for absence without proper leave.
13. Private telephone calls of the students will not be entertained. However, an emergency message can be conveyed.
14. Students must keep the College identity Card during their stay in the College premises and during College functions.
15. Students are required to wear the prescribed uniform while attending the College.
16. The College authorities reserve the right to revise any class schedule or to re-arrange the classes.
17. The College will not be responsible for loss of any mail/valuables sent to a student at the College address.
18. The College is not responsible for any loss/damage regarding the student's belongings.

19. The College students, while parking the bikes/motor cars, are required to put proper lock on them. The College administration shall not be responsible for any loss on this account, whatsoever.
20. The students who want to migrate from UCM College to any other college will have to pay full fee for Clearance.
21. Any false information on the Application Form may render the student liable to expulsion from the College.
22. The College grants fee-concessions and scholarships of different nature at the time of admission. These concessions and scholarships are applicable only to the current installment and must be renewed when the next fee installment is due. Mere recommendation for a fee-concession and scholarship does not entitle a student to its grant. Certain conditions and requirements must be fulfilled for eligibility.
23. Students can get benefits like Concessions, Scholarships in case of fulfilling the attendance requirements and observing the fee-schedule. However the application for fee concession must be submitted within the time frame given by the College. Applications received after the lapse of that time period will not be entertained. 90% attendance for scholarships and 80% for other concessions is mandatory.
24. Any fee concession/prize/scholarship is granted only at the discretion of the College Administration and can be withdrawn at anytime.
25. The College reserves the right to make, amend and introduce any rule as and when deemed appropriate.
26. If a student defaults in submission of College dues for a period of one month, his/ her name will be struck off from the College Roll.
27. Notwithstanding anything contained in any College Rule, Regulation, Policy or Guideline, if a student's Examination Admission Form, Roll No. Slip or Result Card is withheld by the College Administration, the name of the affected student shall deem to be provisionally struck off from the Roll of the College with immediate effect, whether he/she has been given notice of this action or not. In such an eventuality it will be the student's duty to apply to the concerned College Authorities for re-admission to the College. The College may in its sole discretion approve or disapprove such re-admission and may also impose such conditions and fines as it may deem necessary.
28. The Students alone are responsible for submission of their College dues/fee and observance of the College Rules, Regulations, Policies and Guidelines promulgated by the College from time to time. The College or its Administration shall not be liable for any loss accruing to the students due to any such failure or non-observance. As regards the financial liability of a Student, the Parent/ Guardian of the Student, signing the College Admission Form of the Student in such capacity, shall act as the surety of the Student and shall be jointly and severally liable to discharge any financial liability of the Student accruing under the College Rules, Regulations, Policies and Guidelines.
29. If the College Administration pays any amount to any Authority, Board, Government Department etc. on behalf of any Student (s), all such amounts will remain recoverable from such Student(s) as outstanding College Dues.
30. NOCs and College leaving certificates can only be issued if the student pays his/her all dues till the submission date of his/her
31. application for the issuance of these.
Students may apply for the cancellation of their admission (subject to the permission of Principal) within 15 days after getting admission, however no fee refund shall be made.
